

TITOLO DEL PROGETTO : Strengthening innovation and technology dissemination for sustainable development in cereals, cocoa and coffee value chains in Western and Eastern Africa

ACRONIMO: SATTIFS

REFERENTE SCIENTIFICO UniMol: Prof. Luciano CINQUANTA – Dipartimento di Agricoltura, Ambiente e Alimenti

PROGRAMMA: ACP-EU Co-operation Programme in Science and Technology (S&T II)

PROJECT REFERENCE: AFS/2013/329-258

CONTRIBUTO UNIONE EUROPEA: 621.576,83 €

CONTRIBUTO ASSEGNATO UNIMOL: 509.256,83 €

DURATA PROGETTO: dal 01 Gennaio 2014 al 30 Giugno 2017

CORDINATORE: Università degli Studi del Molise

ALTRI PARTNER: University of Gulu, Uganda, University of Sunyani, Ghana BioEconomy Africa (BEA), Ethiopia, ARPAm, Italia

AREA SCIENTIFICA – KEY WORDS: The aims of the project is to contribute to build and to strength Science, Technology and Innovation (STI) capacities in the agricultural sector of Western and Eastern Africa countries to enable food security and socio-economic development in cereals, cocoa and coffee chains. The specific objectives are: Establishment of working partnerships among the participating institutions. Establishment of 3 Centres for Innovation and Technology dissemination (CITED) in each ACP partner Country for sustainable agricultural production and food security at host universities established. Dissemination of successfully proven Appropriate Technologies (ATs).

Il progetto ha come obiettivo principale quello di contribuire a rafforzare le capacità di scienza, tecnologia e innovazione (STI) nel settore agricolo dei paesi dell'Africa occidentale per migliorare la sicurezza alimentare e incentivare lo sviluppo socioeconomico.
