

Department of Law (Legal Studies)

Position:

S.S.D L-LIN/10 - English Literature

Academic Recruitment Field: 10/L1 - English and Anglo-American Languages, Literatures and Cultures

- Teaching activities, service to students and research program:

The successful candidate will have to carry out teaching activities within the degree courses in Law and Political Sciences and European Institutions at the Department of Legal Studies in the scientific disciplinary sector L/LIN10. The frontal teaching activity will be assigned to the researcher by the Department of Legal Studies and will deal with the teaching of the most influential writers in English literature.

- Objectives of scientific productivity (publications, conferences, other types of products) and quality of scientific production:

The successful candidate must adopt research objectives of high national and international profile, with publications in "Class A" journals and international journals which will enable the researcher to make a significant contribution in the Italian Research Evaluation (VQR) of the Department of Legal Studies of the University of Molise. The scientific research activity must be conducted in the Scientific Disciplinary Sector L-LIN/10 and will focus on the study of English and Anglophone literatures with particular reference to nineteenth and twentieth-centuries fiction along with its semiotic and theoretical-methodological aspects.

- Place of employment: Campobasso.

- Maximum number of publications: 12.

- Method with which the researcher is required, periodically and at the end of the contract, to report the results: written report on the research activities, with particular reference to the publications produced in the three-year reference period.
