

Department of Humanities, Social Sciences and Education

Position:

The MIUR has published the merit rankings of the projects financed according to notice PON R&I 2014-2020, Decree 407 - 27.02.2018 "AIM - Attraction and International Mobility". The project concerns the recruitment of one researcher with fixed term employment contract full time for three years in the Department of Humanities Social Sciences and Education - pursuant to art. 24 paragraph 3 letter a) of Law n. 240 - 30.12.2010 with reference to S.S.D. M-STO/02 - Modern History, for Academic Recruitment 11/A2 - Modern History.

The requirements for the application are:

- PhD obtained no more than 8 years prior to the date of 27.02.2018
- research contract at Universities/Institutions companies outside the target regions of the PON R&I 2014-2020 or even abroad, with at least two years experience in these structures, relating to: 2.1) participation or conduction of technical and scientific research programs and / or projects.

Research objectives and scientific productivity:

The candidate will have to carry out research activities related to the topics covered in the scientific discipline M-STO/02 developed in the Department, with particular reference to the connected dimensions and to the dynamics of intercultural, religious, economic and cultural integration in the Hispanic monarchy spaces of the Early modern age. The research program requires the researcher to analyse the politico-religious processes and phenomena of cultural hybridization between the territories of the Hispanic monarchy and, in particular, in the territory of Molise with modalities that provide for the dissemination of research results, as well as in open access publications, also on an online platform dedicated to them.

Program of didactic educational activities and service to students:

The program of research and didactic activities requires the candidate to teach in the academic discipline in Modern History for the Bachelor and Master Degree in the Department of Humanities Social Sciences and Education of the Molise University. The researcher has to be able to assist the student's degree redaction and to conduct tutoring activities. The academic activities must be necessarily in the field of Modern History.

Place of work: Campobasso and the locations indicated in the project.

Maximum number of publications: 12.

Foreign languages: English; Spanish.

Research reporting: annual report of the teaching and research activities with particular reference to the publications produced during the three years.
