

Department of Humanities, Social Sciences and Education (SUSeF)

- Position:

Public selection procedure for no.1 fixed-term researcher as per s. 24, para 3, letter b) of law no. 240 of 30.12.2010 for academic recruitment field 10/B1 HISTORY OF ART; Academic discipline L-ART/02, HISTORY OF MODERN ART, at the Department of Humanities, Social and Educational Sciences of the University of Molise.

- Program of teaching, student service, and research activities:

The program of teaching activities and service to students provides that the candidate will give priority to teaching in the field of history of modern art (and possibly also in related disciplines) provided in the bachelor's and master's degree courses at the Department of Humanities, Social Sciences and Education, University of Molise. He/she will also support the students in the preparation of papers for the final exam and master's thesis of the above-mentioned courses and carry out tutoring activities.

The research activity will be directed mainly to the study of the history of modern art, with a particular interest in the territorial census and the analysis of processes, exchanges and cultural interrelationships in the area of present-day Molise, also favoring collaborations with the research and heritage protection institutions of the territory.

The objective of the research is to recompose a still fragmentary and partially investigated framework in order to build thematic, diachronic and synchronic paths in which the Mediterranean and European relationships and the complexity of the cultural stratification of the Molise territory are also highlighted. It is foreseen to integrate and to strengthen the departmental scientific activity in the above-mentioned disciplinary field through a research methodology updated on the most recent criteria sanctioned at international level.

- Objectives of scientific productivity (publications, conferences, other types of products) and qualitative characteristics of scientific production:

The candidate should set research objectives of high international profile, with publications in scientific journals with high international circulation that will lead him/her to provide a significant contribution in the upcoming VQR evaluations of the Department of Humanities, Social and Education Sciences of the University of Molise.

- Location of activities: Department of Humanities, Social and Education Sciences, University of Molise, Campobasso.

- Maximum number of publications that the candidate can present: 12 (twelve).

- Department where the selected candidate will be based: Department of Humanities, Social and Educational Sciences of the University of Molise, Campobasso.

- Foreign languages required: English.

- Modalities with which the researcher will be required to periodically report the results of the work carried out: An annual report on research and teaching activities.
